

ADITYA KAMLESH YADAV

PRN : 20190802060

Tech Life

Mission statement:

A smart speaker which can be used to automate tasks in house like switching on/off lights, turning on the TV, etc to make your life easier.

Answer the question

Item we identified?"

An aerial photograph of a city skyline at dusk or dawn. The sky is a mix of dark blue, purple, and orange. The city is densely packed with skyscrapers, many of which are illuminated with lights. The text "The technology: NLP + Cloud + AI" is overlaid in the center in a large, white, sans-serif font.

The technology: NLP + Cloud + AI

A close-up shot of a person's hands clasped in a prayer or gratitude gesture. The person is wearing a dark blue, long-sleeved sweater. The hands are positioned in the center of the frame, with fingers pointing upwards. The skin on the hands appears aged. The background is slightly out of focus, showing a white door handle on the left and a window with a small yellow object on the right. The text 'THANK-YOU' is overlaid in the center in a bold, white, sans-serif font.

THANK-YOU
